

	Meeting	Notes
Date: 9/24	Team Formation and Logistics	In this meeting we exchanged phone numbers, set up a discord for communication, chose python as the language for this upcomin project and started to familiarize ourselves with each other.
Duration: 10 Minutes		
Date: 9/27	Work Distribution and Working Meeting	In this meeting we split the program up into different parts that we thought were fair. After that we went to Langford Architecture Building to work on the program together.
Duration: 1hr, 20 minutes		
Date: 9/29	Meeting to go over finishing touches	In this meeting we went over the full project and divided the rest of the issues that needed to be solved to people who wanted to or felt like they should contribute more.
Duration: 10 Minutes
